

IT-SSE36-WL

With 36 high power LEDs for a total power consumption of 48W, beam angle 15° to 120°, beam distance 220m to 40m, the IT-SSE36-WL is a White Light Illuminator with a high service of life.

- Luminous flux 4320lm.
- Color temperature 3000-3500K/5500-6000K.
- 50,000 hours lifetime LEDs.
- Extended working temperature range -30 to 50°C.
- 1-3 years warranty.

Product Family

The IT-SSE36-WL is part of the high-power Consumer White Light Illuminators series that is the quality LED light source solution for night-time illumination, providing high-power light for CCTV and IP cameras to enhance night-time visual performance with colorful images.

Product Features

- Precise secondary optical technology.
- The latest LED technology assures outstanding performance with excellent luminous efficiency and more uniform illumination.
- Independent innovation of high efficiency power drive schemes.
- Low failure rate of products is guaranteed because of professional in-house optimized independent circuit technology widely used in our LED illuminators for more than 5 years.
- High thermal conductivity aluminum.
- Energy saving technology.
- All illuminators has energy saving circuit with low electrical power consumption.
- Thinner and lighter design.
- Housing designed for simple installation and easy operation to reduce construction difficulty.

Basic Functions

- *To improve performance of the weak light camera, thereby enhancing the picture effects at night.*
- *Conventional night monitoring.*
- *The function of video analysis at night.*
- *Reduce signal noise and other image distortion.*
- *Reduce the network bandwidth requirements.*
- *Energy saving by power factor correction.*
- *Reduce the equipment cost.*
- *Lower cost of installing and wiring.*
- *Indoor and outdoor use.*

Technical Specifications

LED type: 36 pieces high power white light LEDs

Color temperature: 3000-3500K/5500-6000K

Beam angle: 15 to 120°

Beam distance: 220 to 40m

Bracket: Wall mount bracket

Working voltage: 85-265V AC/12-24V DC/24V AC

Power consumption: 48W

Day & Night switch: Automatic

Working temperatures: -30 to 50°C (-50 to 50°C with heater)

Protection level: IP66

Color: Beige

Panel: Tempered glass panel

Housing: Aluminum die-casting housing

Net weight: 2.2 kg

Gross weight: 2.5 kg

Dimensions: 261*202*90mm

Packing dimensions: 290*220*140mm

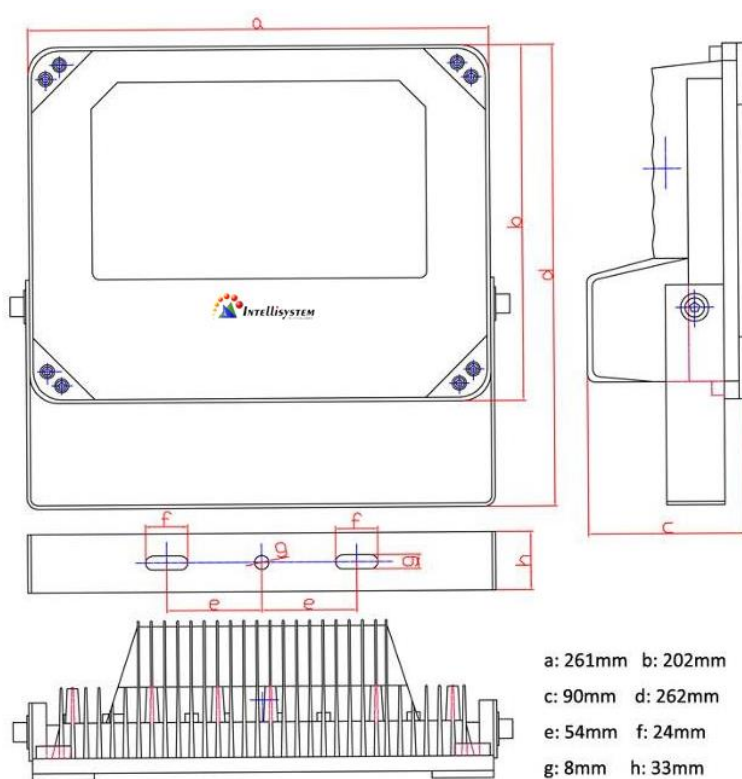

Models for Selection

Model	Beam angle	Viewing distance
IT-SSE36-WL-15-W	15°	220m
IT-SSE36-WL-30-W	30°	160m
IT-SSE36-WL-45-W	45°	120m
IT-SSE36-WL-60-W	60°	90m
IT-SSE36-WL-90-W	90°	70m
IT-SSE36-WL-120-W	120°	40m

**Viewing distance is tested by Sony 1/3 CCD Camera with 0.01 LUX.*

To achieve the distance needed, please pay attention to your camera specifications and lens before purchase. It is normal phenomenon that distance may vary due to different cameras and lens.
